Upper KS2 Class Teacher, permanent with the ability to lead a subject
MPS/UPS 0.6 Monday, Tuesday and Wednesday
With a view to start in the Spring Term, or as soon as possible there after

Ditchingham Primary Academy is a friendly village school, which is partnered with Gillingham Primary Academy as part of the Diocese of Norwich Academies Trust. We are on the Suffolk and Norfolk border and have children from both counties at the school.

We are looking to appoint a skilled primary trained teacher to work primarily at Ditchingham. This would suit a class teacher who can demonstrate skill in teaching a mixed aged class.

We are looking for someone who:

- Is an excellent classroom practitioner with experience of teaching across the primary phase.
- Can deliver exciting, challenging lessons within our challenge based curriculum
- Has experience of working closely with parents
- Is committed to their own professional development
- Works well as part of a small dedicated team
- Has the desire to make a positive difference to our community
- Will promote Christian Values and uphold the Christian ethos of the academy and DNEAT

We can offer you:

- A supportive, friendly working environment
- Colleagues who work closely together and are committed to improving outcomes for children and families
- Opportunities to develop your career through carefully targeted professional development across our partnership and within DNEAT

We would be delighted to hear from you. Visits to the school are welcome and can be made by contacting the school on 01986 893277

Application forms can be emailed on request from the school office. Please send completed forms, together with a covering letter to finance@ditchingham.norfolk.sch.uk or directly to the school.

Closing date: 2nd November 2018

Interview date: 7th November 2018

Ditchingham Primary School is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment. This post will only be offered subject to satisfactory references and an enhanced DBS check.
